• **ePay Reminder for Student Employees**

This is a reminder that direct deposit statements will no longer be printed and distributed as of check dated 6/14/13. Individuals without direct deposit will continue to receive physical paychecks, but will also be able to access their payroll information online. We strongly urge all student employees to consider the benefits and convenience of both direct deposit and ePay.

Information regarding system access, login procedures, training materials and user support can be found on the Payroll Department website at [http://www.payroll.uconn.edu/](http://www.payroll.uconn.edu/).
